# What's next?

Because of the possibility of being over-subscribed, we suggest getting your entries in early, together with the fee to secure your place. Send the entry form to Mark Allen at the address shown on the entry form with the full entry fee of £500 if paying by cheque.

## The entry fee

This covers the cost of hiring a professional company to supply the boats, helmsmen and instructors. The other expenses (hire of venue etc.) are covered by the sponsorship of the event brochure, advertising, corporate sponsorship and the two Rotary Clubs. No charity money is used to offset any of these expenses.

## Information pack

As soon as we receive your entry form and fee, we will send you an information pack. This gives you all the details you need to participate.

Last minute instructions will be given at the pre-event reception.

## Personal Sponsorship

Each crew member is asked to raise a minimum of £50, so that each team raises a minimum of £1000. By using PayPal online, WHICH WE REQUEST THAT YOU DO, you do not have the trouble of collecting cash. We will setup a PayPal Campaign page for you to share on social media with an optional button/card for your website. Each team PayPal donation card will also be displayed on our website under the [Sponsor a Team](#) section. (If members prefer to collect cash, there are dedicated sponsorship forms in the info pack.)

The Rotary Clubs who organise the event do so to support the Charity of your choice with the balance going to the Rotary Clubs charities. (All of the sponsorship raised is ring fenced for Charity. None is used for administration or any other purpose.)

If you decide that racing is not for you then there are still ways you can help.

A high-quality informative brochure with details of the event and teams, a Lucky Prize Draw number etc. will be available both before and on the day of the event for a donation towards the charities supported by the event.
